The Vessel: M.V.S. Raja Ampat Explorer

This is a classic Pinisi Indonesia design of the infamous “Boogey Men” who sailed these waters for over 400 years trading and pillaging at will. The ship is now fully remodeled into a PREMIER Live Aboard vessel. Cabins have both queen size beds (2) and 2 single bed cabins (4); all with ensuite baths and showers. Each room is air conditioned with separate controls. The salon for meals and electronic//camera gear maintenance is air conditioned. Meals are NOT cooked in saturated oils or greases. Many entrées are oven baked, wok or microwave prepared. Breads, cakes and sweets are prepared daily. The dive deck is a unique design by **Bonnie McKenna** which allows tank fills direct to your set up when you are not diving. When at anchor, dive at any time you wish and as often as you wish. **NO Nitrox**, as it is not needed.

RESERVE YOUR BED **NOW**. THIS TRIP **WILL** BE THE LAST
IN THE 8 YEAR SERIES. (Except Private Charters)

**AS OF NOW, DECEMBER 4, 2011 WE HAVE ONLY 8 BEDS
